Minutes		All	Request to wait until next meeting to approve minutes
Treasure's Report	Balance is \$35.00	Sean	LeeAnn has \$100.00 donation that she will send to Sean
Elections	Nominating committee unable to find a member willing to serve as Vice-Chair person that also meets voting requirements.	Carol, Norma	Difficult to recruit nominees because of time commitments and the perception that the coalition is currently not doing anything specific.  LeeAnn will send out a request for members to serve.  Postpone elections until next meeting in June.  DOH grant funding may open opportunities for more coalition activities and support.
DOH	Grants submitted to HRSA and the CDC involving developing and implementing a State Plan for Oral Health. Under the CDC framework, collaboration with a State coalition is necessary. The coalition could play a role in developing and implementing a	Divesh	Joseli currently submitting grant proposals. Asked for letter of support from Vice-Chair person just prior to submission deadline. Executive committee approved letter of support.

	<p>State plan. The coalition would need to show a diverse representation among its members, including major stakeholders such as WSDA and WSDHA, and have strong leadership. One grant is for a 5 year period and could potentially provide infrastructure support such as staff time. Will need to show member organizational active support for developing and implementing a State oral health plan.</p> <p>Some of the basic activities are required:</p> <ul style="list-style-type: none"> <li>a) develop and maintain a State Oral Health Coalition with diverse membership that include major oral health stakeholders</li> <li>b) have an State oral health infrastructure that works on water fluoridation and school sealant programs; coalition infrastructure development to maintain coalition</li> <li>c) developing a sustainability plan for the coalition</li> <li>d) evaluate activities undertaken and submit reports to grant funder</li> </ul> <p>Additional activities include:</p> <ul style="list-style-type: none"> <li>a) coalition established as a 501 (c) 3</li> <li>b) expand activities and action plans to include outcome evaluations</li> <li>c) acquire a dedicated staff for the coalition which would require securing payroll funding</li> </ul> <p>Discussion regarding coalition involvement. All coalition members were not informed of grant proposal or the expectation of what would be required from the coalition. Difficult to determine whether all coalition members would have</p>	<p>All</p>	<p>DOH will inform coalition whether grant is awarded.</p> <p>Activities around establishing a State Oral Health Plan may interest members and increase members' participation.</p>
